

This guide provides a structure for students and families to continue learning throughout the summer months. These summer student learning extension opportunities are designed to actively engage students in grade-level activities and prepare them for the next school year. Furthermore, wellness activities promote students' well-being.

Pre-Kindergarten-Grade 2

**Extended Learning Activities
(1-2 Daily Hours Recommended)**

- Read a book at the student's reading level for 15 minutes. Access myON digital literacy resources via computer or mobile device by logging into clever.ccsd.net. Keep track of daily reading in a reading log.
